THE BOOKKEEPER.—Elsewhere in our col-  
umns is an advertisement of the Surveyor  
of this port, announcing that on and after  
Monday, the 24th, shipments over the  
Louisville and Nashville Railroad will only  
be forwarded under a permit from the Sur-  
veyor's office. If we properly understand  
the advertisement, which is somewhat am-  
biguously worded, it interferes only with the  
shipment of such goods as may be declared  
contraband. What is meant by contraband  
will doubtless be explained at length here-  
after. This notice has been expected for  
several weeks, and will, of course, excite a  
great deal of remark and produce many  
conflicting opinions.

A friend writes us from Elizabeth-  
town that Wickliffe's majority in Hardin  
county will exceed one thousand votes.

Jefferson County.—Gillman's Point—Mal-  
lory 90; Bruce 65. Middletown—Mallory  
140; Bruce 63.

Scott County.—A letter from Georgetown  
says that Crittenden's majority at that place  
at the close of the polls was 183. Reliable  
intelligence from the county places Simms'  
majority in Scott at 100.

A letter from Greensburg says  
Harding's majority over Talbot, the seces-  
sion candidate, will be from 5,000 to 8,000.  
His majority in Green county is 475.

SEKENE.—Among the most delicious  
parts of an editor's life are the pleasurable  
entertainments offered by the friendship  
and devotion of persons to whom they are  
personally unknown. Such an entertain-  
ment was offered us last night by the "Silver  
Band," of which our friend, S. Boeser, is  
the leader. His card tells us that he can  
be found on Green street, between  
Preston and Jackson; but wherever he may  
be in personal presence, he and his fellow-  
artists will always live in our hearts and  
memories.

LEAVING THE STATE.—A few days since,  
Dr. R. H. Cabell, long a resident of Rich-  
mond, and brother-in-law of Gen. Winfield  
Scott, obtained a pass to leave the State of  
Virginia, intending, as he said, to go to  
Wisconsin. He has landed property there,  
and it is not known that he will return.

A magnificent sword is to be pre-  
sented to Lieut. Jefferson C. Davis, at New  
Albany, by a number of his personal friends  
and admirers. Lieut. Davis hails from  
Clark county, Ind.

YESTERDAY was the longest day of  
the year, and hottest of the season.

THE GENEALOGY OF DOUGLAS.—In the  
rooms of the Chicago Historical Society is  
recorded the Genealogy of Douglas, extend-  
ing back to the first representative of the  
family in America, who was William Dou-  
glas, of Boston, Mass., proving him to be of  
Puritan stock.

A young man named David Achey  
was shot at 2 o'clock Thursday by a Mr.  
McCulloch, in Indianapolis. There had  
been a quarrel between them before, and  
Achey had threatened him with a slung  
shot.

SUMMER GRAYS, ATTENTION.—Every  
member of the company is earnestly re-  
quested to be present at a regular meeting  
of the company Saturday evening, June 22,  
1861, at 7 o'clock, at the army,  
Union Hall, north side Market street, be-  
tween Third and Fourth. A few more good  
and true men are invited to join the com-  
pany to fill vacancies. By order of the  
Captain.

BALLOON ASCENSION.—Thursday evening  
the citizens of Middletown, Ky., sent up a  
large balloon, in honor of the great Union  
triumph. It was seen at Peevess Valley,  
moving slowly and majestically towards the  
Hon. Robert Mallory's farm, to convey to  
him the intelligence of how we rejoiced at  
his success.

BLACKWOOD.—We have received from the  
publisher, Blackwood for June, a purely  
literary number, having no politics in it  
whatever. The opening number is racy and  
anecdotal, about books and book-buffers;  
of the sale of books for their weight in  
gold. Reviews of Count Montanbert's  
"Monks of the West," and of Miss Bremer's  
"Two Years in Switzerland and Italy," are  
—simply book notices, indifferently well  
executed. The review of Miss Knigh's  
Autobiography (the lady who was Govern-  
ess to the Princess Charlotte of Wales) is a  
great deal better, and the extracts are well  
selected. There is a further portion of  
"Norman Sinclair," Professor Aytoun's  
new novel, now running, or rather creeping  
through this magazine, and several poems,  
of average merit.

FLAG RAISING.—A Union flag will be  
raised this evening, at five o'clock, on the  
corner of Hancock and Jefferson streets.  
General L. H. Rousseau and Philip Tom-  
pkins, Esq., will address the crowd that will  
assemble.

KENTUCKY HORTICULTURAL SOCIETY.—The  
usual weekly exhibition of this society will  
open this morning, at 10 o'clock, at Masonic  
Temple.

## ELECTION RETURNS.

Jefferson County—Hood's Precinct—Mal-  
lory, 71; Bruce, 90.  
Hay's Springs—Mallory, 63; Bruce, 10.  
Cross Roads—Mallory, 84; Bruce, 10.  
Oldham County—Lagrange, 5 P. M.—Mal-  
lory, 200; Bruce, 29.  
Spencer County—Mt. Eden—Wickliffe, 164;  
Read, 60.  
Taylorville—Wickliffe, 167; Read, 109.  
Camden—Wickliffe, 40; Read, 85.  
Waterford—Wickliffe, 63; Read, 97.  
Shilby County—Mallory's majority is 606.  
Taylor County—A letter from Campbell-  
ville says the returns from the precincts in  
this county are not complete, but we have  
enough to say that Aaron Harding's major-  
ity in Taylor county is at least 700.

Jessamine County—Crittenden's majority  
in Jessamine county is 460.

Clark County—Wadsworth's majority in  
this county is between 680 and 700.

Simpson County—The election passed off  
quietly here. Col. Grider's majority in  
this county will be at least 200, probably  
250. The town (Franklin) district gave 122  
for Grider, 80 for Lewis. Very well done  
for Simpson, considering our proximity to  
Tennessee. Hurra for the Union, the Dem-  
ocrat and Journal! If the Democrat and  
Journal had pursued the course of the  
Courier, Kentucky would to-day be the  
battleground of the contending parties.

Mr. STALLING, Montgomery Co., Ky., June 22.  
MRS. HARRIS, HUGHES & CO.  
Gentlemen: The majority in this county  
for Wadsworth, Union candidate, is 262.  
The majority in Bath county is about 500  
for Wadsworth.

From the indications received from Powell  
county Wadsworth's majority will reach  
175.

CHARLES NELSON.  
The late members of the Garvin  
Rifles held a meeting last night. William  
Mangon was called to the Chair, and Wm.  
C. Shaw was appointed Secretary. The  
company was then reorganized, and most of  
the old members enrolled their names to  
serve in the regiment to be raised by  
Colonel Rousseau. The following gentle-  
men were unanimously elected: Captain,  
William Mangon; First Lieutenant, J. W.  
Smith; Second Lieutenant, Thomas For-  
man; Third Lieutenant, George Korh;  
Company Clerk, William C. Shaw.

The company will meet again this even-  
ing, at 7 o'clock, at the house of Mr. Korh,  
south side of Green street, between Jackson  
and Hancock. All true Union men are  
requested to be present, and enroll their  
names for our country's service.

Col. Irish, of New London, Paymas-  
ter-General of the State of Connecticut,  
is now in Washington, for the purpose of  
paying of the First, Second, and Third  
Connecticut regiments—money from the  
State Treasury. The boys will be glad to  
"see the color of it," as many of them have  
not had a whole dime for weeks.

A NARROW ESCAPE.—A small black boy  
belonging to Col. Frank Madden fell from  
the roof of a two-story house yesterday  
onto the pavement, and, strange to say, was  
not seriously injured.

Senator Douglas was initiated as a  
Free Mason June 3, 1810, passed to the  
degree of Fellow Craft on the 21th, and was  
raised to the sublime degree of Master  
Mason on the 26th of the same month. He  
was chosen Grand Orator of the Grand  
Lodge at the first annual communication in  
1810, and was the first Grand Orator ever  
chosen by the Grand Lodge of Illinois.

The First ward Home Guard, Capt.  
John Trainor, one hundred and thirty  
strong, were out on parade last night.  
They exhibited great proficiency in drill,  
and presented quite a soldierly appearance.

SHOOTING AFFRAY.—At the polls in Fal-  
mouth, Ky., on Thursday, a man named  
Hamilton was shot in the side with a ball  
from a pistol, fired by another party named  
Turner. It appears that Turner called  
Hamilton an Abolitionist, because he voted  
the Union ticket. Hamilton replied, "Don't  
call me an Abolitionist," when Turner  
pulled out his pistol and fired, as above  
stated.

Mrs. Ellen Sheedy was nearly burned  
to death at Hartford, Conn., by the explo-  
sion of burning fluid, with which she was  
kindling a fire.

The balloon ascension to test the  
feasibility of telegraphic communication,  
took place in Washington on Tuesday, with  
excellent success.

senger of Adams Express Company, for a  
St. Louis paper of yesterday in advance of  
the mail.

bar, sets mock-turtle soup at lunch this

The Evansville Journal states that  
there is a good deal of improvement going  
on in that city the present summer. A

## Interesting Military Correspondence.

GENERAL BUCKNER TO GOVERNOR MAGOFFIN.  
HEADQUARTERS KENTUCKY STATE GUARD,  
LOUISVILLE, JUNE 15, 1861.

Sir: On the 8th inst. at Cincinnati, Ohio,  
I entered into an arrangement with Gen-  
eral G. B. McClellan, Commander of the  
United States troops in the States north of  
the Ohio River, in the following effect:  
The authority of the State of Kentucky  
is to protect the United States property  
within the limits of the State, to enforce  
the laws of the United States in accordance  
with the interpretations of the United States  
Court, as far as such laws may be applica-  
ble to Kentucky, and to enforce with all the  
power of the State our obligations of neu-  
trality as against the Southern States, as  
long as the position we have assumed shall  
be respected by the United States.

General McClellan stipulates that the  
territory of Kentucky shall be respected on  
the part of the United States, even though  
the Southern States should occupy it; but  
in the latter case will call upon the  
authorities of Kentucky to remove the  
Southern forces from our territory. Should  
Kentucky fail to accomplish this object in  
a reasonable time, General McClellan claims  
the same right of occupancy given to the  
Southern forces by the United States, and  
he is to advise him of the inability of Ken-  
tucky to comply with her obligations, and  
to invite him to dislodge the Southern  
forces. He stipulates that if he is suc-  
cessful in doing so, he will withdraw his  
forces from the territory of the State, as  
soon as the Southern forces shall have been  
removed.

This, he assured me, is the policy which  
he will adopt towards Kentucky.

Should the Administration hereafter  
adopt a different policy, he is to give me  
timely notice of the fact. Should the State  
of Kentucky hereafter assume a different  
attitude, he is in like manner to be advised  
of the fact.

The well known character of Gen. Mc-  
Clellan is a sufficient guaranty for the  
fulfillment of every stipulation on his part.  
I am, Sir, very respectfully,  
Your obedient servant,  
G. B. BUCKNER, Inspector-General,  
Kentucky State Guard, Louisville, Ky.

GEN. BUCKNER TO GOV. MAGOFFIN.  
HEADQUARTERS KY. STATE GUARD,  
LOUISVILLE, JUNE 15, 1861.

Sir: On the 11th inst. I advised Gov.  
Barnes, of Tennessee, of the agreement  
which has been entered into between Gen.  
McClellan, and of the purpose of Kentucky  
to carry out with the force at her disposal  
the neutral position which her Legislature and  
her people have assumed. He gave me  
every assurance that the territory of Ken-  
tucky would be respected by the United  
States; and that only in the event of an  
emergency, after the United States had been  
first violated by the United States forces,  
would any attempt be made to occupy any  
portion of her territory. His order to the  
commanders of the Tennessee forces are  
peremptory.

I am, Sir, very respectfully,  
Your obedient servant,  
G. B. BUCKNER, Inspector-General,  
Kentucky State Guard, Louisville, Ky.

GEN. BUCKNER TO GOV. MAGOFFIN.  
HEADQUARTERS KY. STATE GUARD,  
LOUISVILLE, JUNE 15, 1861.

Sir: On the afternoon of the 12th inst. I  
reached Union City, Tenn., about twenty  
miles southeast of Columbus, Ky., in con-  
sequence of an exciting incident at  
Columbus about noon of that day, I found  
that Tennessee troops, under command  
of Major-General G. J. Pillow, were making  
preparations to occupy Columbus in force,  
and were invited to do so by the Mayor  
of Columbus, who had represented to Gen.  
Pillow that the place was in all probability  
strongly occupied by the United States  
forces from Cairo.

On my representations of the position  
occupied by Kentucky, Gen. Pillow at once  
suspended his preparations for the advance  
movement of his troops, manifesting every  
disposition to respect the neutrality of our  
territory.

The highly excited state of the citizens  
of Columbus and vicinity, and the indiscre-  
tion of many of them, in every moment im-  
pending the peace of the Commonwealth, in-  
duced me to use the discretionary authority  
which you gave me to call into the field a  
small military force. I regard its presence  
in this section absolutely necessary to quiet  
the unhealthy excitement which exists, and  
to enforce the obligations which the State  
has undertaken to fulfill.

I enclosed you will find my letter of in-  
structions to Col. Tilghman.

I am, Sir, very respectfully,  
Your obedient servant,  
G. B. BUCKNER, Inspector-General,  
Kentucky State Guard, Louisville, Ky.

GENERAL BUCKNER TO COLONEL TILGHMAN.  
HEADQUARTERS KY. STATE GUARD,  
LOUISVILLE, JUNE 15, 1861.

Sir: The Commander-in-Chief directs  
that you call into the service of the State,  
as soon as practicable, six companies of  
the State Guard, four of infantry, one of  
artillery, and one of cavalry.

You will station these companies for the  
present in the vicinity of Columbus, Ky.  
Amongst these companies it is desirable that  
the other companies of the State Guard, and  
if practicable, the company at Colum-  
bus.

You will assume command of this force  
in person.

The general objects will be to carry out  
the obligations of neutrality which the  
State has assumed in the contest now im-  
pending on our borders.

Your attention will be specially directed  
towards restraining our own citizens from  
any act of lawlessness, and to this end  
view you will hold yourself under the  
reaction of the judicial officers of the dis-  
trict. You will also give protection to all  
citizens who may claim it, and who may be  
threatened in their persons, property, or  
enjoyment of the civil rights.

You will direct Capt. Lyon to proceed at  
once to Columbus, to make the necessary  
preparations for the reception of the force.  
Camp equipage will be sent from Louisville.  
You will be furnished with full  
instructions for your guidance.

Respectfully, your obedient servant,  
By Col. E. L. TIGHE, Inspector-General,  
Ky. State Guard, Louisville, Ky.

We find the following in the New  
Albany Ledger:

"POWDER MILLS ON SILVER CREEK.—A  
large powder mill has been established at  
Harro's Mill, on Silver Creek, about ten  
miles from Jeffersonville, by Messrs. Miller  
& Striker. The Jeffersonville Democrat  
says that a number of experienced work-  
men have been engaged, and none but the best  
article will be manufactured. The mill will be  
in operation next week, when they will turn  
out five hundred pounds per day."

The above story, going the rounds of  
the papers, seems to excite some little in-  
terest among the people. It is true that  
Harro's Mill is being reconstructed for  
manufacturing powder, but not to the  
extent reported. Twenty mortars will be  
set up, each mortar to pulverize ten tons  
per day, making a total of 200 tons for each  
day, or 1,200 tons per week. The  
mechanics are progressing slowly with the  
work, and from indications, it will be a  
month yet before the mill will start.

Location is a good one, secluded, as it is,  
from a public thoroughfare, and the mill  
from Jeffersonville and New Albany, and  
one mile and a half from the Jeffersonville  
and Indianapolis Railroad. Willow wood,  
an essential ingredient, grows in abun-  
dant quantities in the neighborhood, and  
the enterprise will prove successful, and  
profitable. Mr. Alpha, lately from the  
Brandywine Powder Mills, is the superin-  
tendent.

MEMPHIS, Ind., June 20, 1861.

THE SUFFERING SOLDIERS.—The Rocker-  
ter Union has seen a letter written by one  
of the volunteers from that city to his father,  
who is about to visit Washington, asking  
for a pair of pantaloons, as the ones given  
him by the State are in need of repair. The  
father is in a pious mood, and is dropping  
off of his life. The volunteer says he works five or six  
hours per day in the trenches, and drills three  
or four hours more, and does not have food  
enough to satisfy his appetite. He makes  
no complaint of the quality of the food, as  
he would be thankful to get enough of  
almost anything. This young man had a  
better outfit than many who went into the  
15th Regiment, yet he has been without  
shoes since he left home. Right of Capt.  
Schofield's company marched in their bare  
feet from Georgetown to Arlington Heights.

## THE UNITED STATES MINISTER IN LONDON.

Mr. C. L. Wilson, Mr. Francis  
Adams' Secretary of Legation, writes as  
follows to the Chicago Journal, of our  
Minister:

One of his first acts was to change the  
name of the Legation to the original title,  
and we now have the "American Min-  
ister." In place of the "American Min-  
ister," as it was in the days of Buchanan and  
Dallas, Mr. Adams has also restored the  
court dress of the earlier times, in place of  
the underbaker's short clothes worn by his  
predecessors. Changes of dress are much  
applauded by the American residents here,  
and highly gratifying to the English people.

A REBELLION IN LIBERIA.—We learn from  
Liberia papers by the barque Justice Story,  
that the republic of Liberia has been  
troubled with a rebellion among the natives  
of some of its newly acquired territory.

The President took the field in person, and  
after a brief campaign, during which but  
few lives were lost, the power of the repub-  
lic was re-established, the rebels having  
been defeated at every point. Upon the  
return of the victorious President to Mon-  
rovia he was received by the inhabitants  
with every demonstration of joy.

A young lady has been heard to  
declare that she could not go to fight for  
the country, but she was willing to allow the  
young men to go, and die an old maid, which  
she thought was an great sacrifice as any  
body could be called upon to make.

torian, is at Washington.

cents, 100 pieces madder lawns, 61 cents.

silk; also, flag silk, Red, White and Blue.  
We are opening daily new and seasonable  
dress goods, silks, domestics, linen and
